Case Number: [1:04-cv-12434](#)

Filer:

Document Number: No document attached

Docket Text:

Judge Nancy Gertner: Electronic ORDER entered re [223] Letter. "The Court treats Boston University's 9/23/08 Letter [223] as a Motion to Quash and GRANTS the motion with respect to Doe Defendants # 8, 9, and 14. The University has adequately demonstrated that it is not able to identify the alleged infringers with a reasonable degree of technical certainty. As a result, the Court finds that compliance with the subpoena as to the IP addresses represented by these Defendants would expose innocent parties to intrusive discovery. Accordingly, under the test laid out in its 3/31/08 Order [167], the Court declines to authorize discovery and quashes the subpoena as to Does # 8, 9, and 14." (Gaudet, Jennifer)
