Re: Elektra Entertainment, et al. v. Santangelo, et al., 7:06-cv-11520 (SCR)
Result of Settlement Conference
Joint Request for Stay on All Open Motions

Your Honor:

I represent the Defendants in the above-captioned matter and send this letter on consent of all parties. On April 7, 2009, the parties met with Hon. Paul E. Davison and completed the appointed settlement conference ("Conference"), with the supporting paperwork now being prepared for signature. The executed documents were originally due before Your Honor by April 15, 2009, which was also the date of the stay, but are now set to be submitted (per the Conference) by April 17, 2009.

There is a two-day gap between the present stay and the newly-requested submission date. Consequently, the parties, on consent, seek a stay until April 17, 2009.

The nature of this joint request is for the completion of the settlement in this action, and is not made for delay or any improper purpose. We therefore ask that the Court grant the requested stay. I remain,

Respectfully,
Jordan Glass
