

United States Court of Appeals For the First Circuit

No. 09-1090

IN RE: SONY BMG MUSIC ENTERTAINMENT, ET AL.,

Petitioners.

ORDER OF COURT

Entered: February 12, 2009

The motion of Associated Press, et al., to file an amicus brief is denied. Acceptance of the brief might create a need that would not otherwise exist for judicial recusal. Cf. 2d Cir. Interim R. 29 ("[t]he court ordinarily will deny leave to file brief for an amicus curiae where, by reason of a relationship between a judge who would hear the proceeding and the amicus or counsel for the amicus, the filing of the brief would cause the recusal of the judge.").

By the Court:

/s/ Richard Cushing Donovan, Clerk.
