

## Exhibit B

1 Lindor  
2 half or two, and I tell the company to cancel  
3 it because nobody can use the computer,  
4 nobody here to use the computer, to cancel  
5 it. And I tell them to give me the  
6 confirmation number, but I have the  
7 confirmation number in the old telephone  
8 book.

9 I got the confirmation number, I  
10 cancel in May, but next bill they send it  
11 again, and I call again to cancel it because  
12 nobody -- only need the phone when I am  
13 talking to somebody, nobody there, why do I  
14 have to pay for it.

15 Q. Do you know, and I understand what  
16 you're saying -- do you know -- do you  
17 remember when you first saw the Verizon  
18 online on your bill?

19 A. No, I can't remember because too  
20 many things going on in my life, I can't  
21 remember the date.

22 Q. Did you see Verizon online on the  
23 bill while your husband was alive?

24 A. Yes, I do.

25 Q. So you had Verizon online for a

1 Lindor

2 couple of years at least?

3 A. Uh-huh.

4 Q. Yes?

5 A. Yes. I don't know when he put it  
6 on, but when I see, sometimes he says okay,  
7 the bill is 81. I gave him \$81 to pay for  
8 it. But when I see it, what do you mean you  
9 are going to let me call the company and find  
10 out, because I don't know why it's on my  
11 bill.

12 Q. So you believe that your husband  
13 put it on there?

14 A. Uh-huh.

15 Q. Yes?

16 A. Yes.

17 Q. And then you called to find out and  
18 they explained to you?

19 A. What it mean.

20 Q. At that point, while your husband  
21 was alive, you didn't try to take it off  
22 because he was using the computer?

23 A. Yeah.

24 Q. And after he passed you then called  
25 to take it off, because you didn't have any

1 Lindor

2 use for it anymore?

3 A. Yes, because nobody don't use it, I  
4 don't want to pay the bill for something I  
5 don't use.

6 Q. So you knew that -- I just want to  
7 make sure, I think we're understanding each  
8 other, Verizon was put on there, the Verizon  
9 online, while your husband was alive, that's  
10 true?

11 A. Yeah.

12 Q. And then in May of 2004 you called  
13 to cancel?

14 A. I can tell you what year, I  
15 cancelled a long time because my husband died  
16 and I cancel the bill.

17 Q. You think you tried to cancel it  
18 right after your husband passed away?

19 A. Yes, after, that's what I can tell  
20 you, after.

21 Q. Was it very soon after or did it  
22 take a few years?

23 A. I keep calling the company to  
24 cancel it, cancel it, okay, leave. I say no,  
25 I don't want it, nobody home, my husband pass

1 Lindor

2 away, I don't know how to use it. But I said  
3 no, nobody home, I want to pay less bill.

4 Q. Do you know, Ms. Lindor, when it  
5 was finally cancelled, do you have any idea?

6 A. I have an idea because I put it in  
7 the book, like I said, because I can't  
8 remember from 2004 what dates, I can't  
9 remember, it was too far, now in 2006.

10 Q. Do you still have that book where  
11 you wrote down the number?

12 A. No, I got, I had the book, this is  
13 my journal book, but everything is upside  
14 down, because they came to the house looking  
15 for thing, I can't tell if I put it outside  
16 because I don't keep all telephone books.

17 Q. So you don't think you still have  
18 that?

19 A. No, because everything goes outside  
20 in my house.

21 Q. Do you have a document or record  
22 that will help us see when the account was  
23 finally cancelled?

24 A. No, because all the bills, after my  
25 husband passed away.

1 Lindor

2 MR. RAYMOND: After her husband  
3 passed away she took out the bill and  
4 put it away and put it away after my  
5 husband died.

6 Q. The bills?

7 A. All bill, all paper, everything  
8 gone.

9 Q. All the bills and --

10 A. And paper and everything gone.

11 Q. Are you talking about bills or  
12 something else?

13 A. Bills, because I don't need it  
14 anymore. Hospital bill, my husband was very  
15 sick, hospital bill, I put them away.

16 Q. You mean you threw them away?

17 A. Yeah, in the garbage.

18 Q. I'm not interested in personal  
19 things, of course, but do you know if you  
20 have any records today that will show us when  
21 you cancel the account?

22 A. Like I say, it's 2004, now it's  
23 2006.

24 Q. So you don't believe you have any  
25 records that will show you?

1 Lindor

2 A. I can't tell you yes or no because  
3 they -- the house is in chaos now, I don't  
4 know where the papers is, they rewired the  
5 house.

6 Q. Who is they?

7 A. The electric company.

8 Q. It's a three family building, is  
9 that right?

10 A. Yes.

11 Q. Are they rewiring the whole three  
12 family building?

13 A. Yes.

14 Q. And so right now the house is --

15 A. Upside down.

16 Q. Because they're doing the work in  
17 the house?

18 A. Yes.

19 Q. I guess I will ask, and I imagine  
20 this is of interest to you as well, Ray. If  
21 there are any records showing when this was  
22 cancelled, there might be, I understand, but  
23 I would be interested in that, if you have  
24 those records, so I ask those be produced, if  
25 they exist?

1 Lindor

2 A. If the company give it to me,  
3 that's it.

4 Q. We may have to ask the company if  
5 they have those.

6 You indicated that on the bill from  
7 Verizon, you saw Verizon online?

8 A. Yeah.

9 Q. Do you remember anything more  
10 specific about that, the best as you  
11 remember, is that what it said on the bill,  
12 Verizon online?

13 A. Yeah, Verizon online, Verizon disk,  
14 they have all the bill together, and I call  
15 and they clarified the bill.

16 Q. They explained to you what it was?

17 A. What they charge me for.

18 Q. They told you it related to your  
19 computer internet, is that right?

20 A. Yeah.

21 Q. You've told me, ma'am, that you did  
22 not see any of your -- I should start over.  
23 I think you said you've never seen any of  
24 your children work on the computer or use the  
25 computer that was in your house, is that
