2 to music, the small that you have, the time
3 is there, alarm clock radio. And I see the
4 time. You turn the button and you hear the
5 weather, if it rain or snow or something like
6 that.

7 Q. The alarm clock will tell you what
8 the weather is?

9 A. Yeah, I don't have no time for
10 this.

11 Q. Have you ever bought CDs or tapes
12 or records for your children as gifts?

13 A. No, I don't -- buy book, not CD.

14 Q. I want to talk about this computer
15 very briefly, the one at your house; is it
16 accurate, that was the only computer that was
17 in your house?

18 A. That's the only one I see.

19 Q. There is no other computers that
20 you --

21 A. No, no, no.

22 Q. While that computer was in your
23 house, did you have any rules, I know you
24 said you've never seen anybody use your
25 computer or the computer in the house, but
